Sir:

**STATEMENT ACCOMPANYING COPY OF RESPONSE TO
RESTRICTION REQUIREMENT AND ELECTRONIC
ACKNOWLEDGEMENT RECEIPT OF RECEIPT**

On January 3, 2007, Applicant submitted the Response to Restriction Requirement enclosed herein via the USPTO's Patent Electronic Filing system. Applicant submits accompanying "Acknowledgement Receipt" as verification of said submission.

On January 9, 2007, the Office mailed a Notice of Abandonment indicating that the application was abandoned on December 8, 2006. The Notice of Abandonment also stated that the Response to Restriction Requirement was received by the Office on January 3, 2007.

On February 13, 2007, Applicant submitted a Petition for Revival of an Application for Patent Abandoned Unintentionally. The Petition was granted on July 23, 2007.

On February 19, 2008, Applicant's attorney received a telephone call from the Examiner informing him that the application was abandoned for failure to submit a Response to Restriction Requirement of June 8, 2006. According to the Examiner, the application was abandoned on January 24, 2008 for failure to submit the Response within the statutorily prescribed six month time limit from the date the Petition for Revival was granted.

In light of the foregoing facts and submissions, Applicant contends that the Office's determination that a Response to Restriction Requirement was not filed is in error and respectfully requests that the Response to Restriction Requirement filed on January 3, 2007 be entered and the application be held not abandoned.

Respectfully Submitted,

ALEXANDROS MAKRIYANNIS et al
